BARBER ARRESTED

On the Charge of Keeping Open on Sunday.

An effort is being made to have all barber shops closed all day on Sunday.

Geo. Isenman was arrested at the instigation of Adolph Ley and Nathan Levi, on a warrant sworn out by Joseph Winum, for barbering on Sunday. In police court they pleaded not guilty, bond was fixed at \$50 and the cases continued until Friday.

Chas. Lutz, Neal Mahon, Adolph Richards, Wm. McShaffery, George Huber and Thomas Kane were arrested about 8 o'clock Tuesday night by Officers Welch and Murray Murray for bathing in the canal below lock 2, without bathing suits. Each was fined \$1 and costs. The fine was remitted with the understanding that if they are again caught on the same charge they will be compelled to pay it.

Bathing Places.

Chief of Police Harrison is at a loss to know who has control of the canal. It may be Superintendent W. M. Hiltabide, the City Commissioners or Mayor Young. At any rate he has instructed the officers to arrest any one swimming in the canal.

Mayor Young says that boys are permitted to bathe, when attired in swimming costume, just below the South st. and near the Valley bridge. Buildings are being fitted up at these places in which they can change clothes.

Louis Powell, about 14 years old, a brother of Arthur Powell, being held for second degree murder, was arrested Tuesday on suspicion. Bond was placed at \$50. He will have a hearing Thursday morning. It is claimed he stole a ring.

Grant Mishler, a character well known for his activity in endeavoring to have a law passed, making it unlawful to treat any one, was assessed \$2 and costs for intoxication.

Garden Party.

The Ladies' Aid society of Grace Reformed church gave a garden party at the home of Mr. and Mrs. O. W. Baum, 208 S. College st., Tuesday evening. The storm made it impossible to carry out their nice plans and reduced the attendance. The ladies, however, did not give up. Supper, ice cream and strawberries were served in the house, which was well filled with patrons and friends, whom neither storm nor rain could keep away. The society's treasury received quite a nice addition from the evening's receipts.

DAMAGE CASE

Filed By an Attorney—Thrown From a Car.

According to a petition filed yesterday in the Common Pleas Court, a lively tilt took place on May 23 between Attorney M. H. Nason and a conductor on the Akron, Bedford & Cleveland Electric Railway line, in a woods near Cuyahoga Falls, says the Leader.

The petitioner is Mr. Nason, who declares that he boarded the car at Akron for the purpose of coming to Cleveland. As soon as the car got out of Akron, he says, the conductor collected fifty cents from him as his fare to Cleveland. After having passed Cuyahoga Falls, he claims, the same conductor demanded another 50 cents, which he refused to pay, whereupon the conductor stopped the car in the woods and together with the motorman, threw him off. As it was necessary for him to get to Cleveland as soon as possible, Mr. Nason says he with great danger to himself managed to get on the car again and then paid an additional fifty cents.

He asks judgment for \$5,000 as damages for having been, as he claims, unlawfully ejected from the car, and also for the extra fifty cents, making a total of \$5,000.50.

DANGER! LURKS IN THE PRESENCE OF CATARRH

Consumption is Its Legitimate Offspring—Prevention Only Assured by Eradication of All Diseases—The Presence of Catarrhal Diseases Means the Possible Development of Consumption—If You Are Afflicted, Investigate.

Mr. Phil Herbrook, 127 Cuyahoga st.

Akron, O.: This is what the new treatment that Doctor Ramsey has given did for me. I had catarrh, just as hundreds of others have it, and I don't need to describe it. I did not, however go to Dr. Ramsey until the disease had begun to extend into my bronchial tubes. I had a hacking cough, which annoyed me at night; became short of breath, and raised large quantities of mucus.

What I have to say is this: The treatment seemed to exactly fit my case. It stopped the hacking cough, relieved the difficult breathing, built up my general health and made me a well man once more.

DEAFNESS CURED BY HOME TREATMENT.

P. A. Good, of Kalido, writes: Dr. W. C. Ramsey, Akron, O.—I have used most of my month's treatment that you sent me for deafness, and am well pleased with the results. I can say that my hearing has been fully restored. Thanking you for the good you have done me, I remain, yours truly.
P. A. GOOD, Kalido, O.

CATARRH AND CHRONIC BRONCHITIS CURED.

Mrs. J. W. Baughman, Barberton, Ohio: I had been afflicted with catarrh since childhood; had frequent attacks of tonsillitis (quinsy) since I was 18. It would come on in the summer as frequently as in the winter. I have also had a chronic cough since I was a little girl. All feared that chronic bronchitis would develop lung trouble. I went to Dr. Ramsey. The expense was a trifle. He cured me. I consider myself a well woman and cheerfully recommend the treatment to all.

CATARRH CURED

Mrs. Elie Baus, 107 Hickory st., Akron, O.: I had been affected with bronchial catarrh since childhood; had a constant hacking to clear the throat for years. I cannot remember when I was free from it. I became much reduced in flesh, had sleepless nights, circulation poor, hands and feet cold. There was consumption in our family, and I realized I was slowly slipping into its grasp. I had tried in vain to get well. I heard of Dr. Ramsey's new method of treating diseases by breathing dry medication into the diseased lungs. I placed myself under his care, and as a result I am a well woman.

Mrs. D. M. Crankshaw, 716 East Buchtel av., Akron, O., cured of catarrh of the head, throat and stomach of 20 years standing.
